

Giant Modular Obstacle Course - Pillar Dodger

Can you see the exit?

The Pillar Dodger is a great course element with lots of obstacles; the module is full various fun obstacles and pillars. Find your way to the exit!

Create your own obstacle course in your unique color and print.

The Giant Modular Obstacle Course of more than 40 modules is sure to become the most impressive item in your assortment! The obstacle course is specially designed to be used by multiple people at the same time as we made it wider than standard courses. Choose the modules you like and build the unique obstacle course of your own. The more modules, the longer the obstacle course. Endlessly expendable! All modules can also be used separately from each other. Choose them in your desired color or print and you will have your unique, exceptional course. A real eye-catcher!

All modular elements are delivered complete – ready to use.

This mega obstacle course is made of the highest quality materials. The PVC is easy to keep clean and durable. In cooperation with the Keurmerk Institute in Zoetermeer, all modular elements have been tested and certified. We supply them including blowers, anchoring material, a transport bag and a clear manual. So you have everything you need for a great experience!

Buy this unique obstacle course element Pillar Dodger and give your customers the day of their lives!

More than 15,000 customers have trusted JB
