

Spidertower

A challenging attraction!

The spider tower is a challenging attraction and an eye-catcher if ever there was one! Work your way up through the spider web inside the tower to reach the top. Once there your reward is making your way down by using the spectacular slide. The spider tower is designed by our own team and comes in a distinctive red, yellow and black colour scheme.

It takes only 15 minutes of preparation time

The playing fun for the kids can start in less than no time, because the spider tower takes no more than 15 minutes to set up. For instance, during a kids' party, an event, or sports activity. Because the spider tower is delivered in two parts, transporting it is a breeze. This inflatable attraction is conveniently supplied including a blower, anchoring materials, a transport bag and a clear manual. The complete package for a wonderful experience.

Rely on our quality and warranty

JB inflatables have several reinforced tension points, are multiply stitched and come in strong, high-quality colourfast 9x9 thread PVC. This makes them durable and easy to keep clean. That is exactly why we supply the spider tower with a 5-year warranty. So, you can rest assured that you will offer your customers years of optimum playing fun.

Purchase this unique spider tower and deliver the experience your customers will remember as the day of their lives!

15 years of unique inflatable attractions

Our team of designers, developers and logistic staff supply unique inflatable attractions in a grand way! That is why JB has made people around the world jump for joy for well over 15 years now. More often than not literally! Customers can rely on our professional service and delivery. That is exactly why they call us 'creators of greatness'.
