

Basketball

Two- or three-pointer?

This great and distinctive basketball game comes with three basketball hoops to make it fun to play with several people at the same time. The basketball game was developed by our own designers and comes in striking colors. Give it your best shot. Who can make the most baskets and win the game?

The complete package, delivered as one single unit

The basketball game easily sets up within 10 minutes, for instance during a hexathlon, sports activity or event. The item comes as a single unit, which makes it easy to transport. This inflatable is conveniently supplied with a blower, anchoring materials, a transport bag, three basketballs and a clear manual included. It is the complete package for a great experience.

Reinforced to make it durable

Our JB inflatables have several reinforced tension points and are multiply stitched. It goes without saying they are made of strong, high-quality PVC, so you can always rely on us to supply material that is durable and easy to keep clean. The basketball game comes with a 5-year warranty, which allows you to offer a product with years of optimum playing fun.

Purchase this unique basketball game and give your customers an experience that they will remember for the rest of their lives
