

Mega Twister

Twister! In a mega-size version

A large mat to play Twister on, supplied with a game board. A nice addition to your collection of hexathlon games. Do you want to provide your customer with a fun and spectacular game that requires coordination, resilience and condition? Then this extra-large Twister mat is a guaranteed success. This XXL version of the popular Twister game has no less than 4 corners to play from, allowing your customers to play it with a number of people at the same time. The mat used as a base for the whole game is 5x5 metres in total, which means playing this Twister game does require some space.

Sets up within a few minutes

It goes without saying JB-Inflatables also supplies this hexathlon collection item as a complete package. This means that in addition to the huge playing mat, it also conveniently comes with all accessories. Needless to say that this is a game that is easy to set up: within a minute, making it ideal for family gatherings, kids' parties or teambuilding activities.

A 5-year warranty on our premium quality items

All products we offer have several reinforced tension points and are multiply stitched. This huge Twister set is no exception! It is made of strong, high-quality PVC, which makes it durable and easy to keep clean. In addition, we provide a 5-year warranty and a repair service for all materials in our extensive collection.

Purchase this XXL Twister set to add to your collection of hexathlon items and deliver festive times for your customers to enjoy.
