

Hang tight

Who can hang on to the jeans the longest?

Hanging on tight to jeans... odd? It is, however, a well-known part of a hexathlon, for instance at a teambuilding event, at a village fete or neighbourhood party, but also during a children's party or themed event. JB-Inflatables - naturally - has added its own unique take on this popular hexathlon game to the collection. Who can hold on tight to the jeans and is left hanging the longest? To even make it more challenging and fun we have added an extra game element: we have turned the base into a splash pool. Fill it up with water and the loser will end up with wet feet to boot. Twice as much fun! Available in blue-white and black-red.

Convenient and easy set-up

This hexathlon item is also easy to set up - it is ready to be used within 10 minutes. The game is suitable for 2 competitors at a time. It goes without saying this jeans hanging game is supplied as a complete package, which means we conveniently include a pressure blower, transport bag and repair kit.

Premium quality by JB and warranty (5 years)

All our hexathlon items have several reinforced tension points and are multiply stitched, this hanging game is no exception. It is made of strong, high-quality PVC, which makes it durable and easy to keep clean. In addition, we provide a 5-year warranty for all items in our extensive collection and we have our own repair service.

Purchase this Hang On Tight jeans hanging game as part of your hexathlon equipment and we ensure your customers are delivered a successful party!
