

# Modular Obstacle Course Crocodile -Gate Run

Do you dare to pass through the gates of our Gate Run? This rugged crocodile theme is for true daredevils!

Maneuvering and wriggling through the wall, you'll land at the next obstacle of the obstacle course. The Gate Run
seamlessly combines with other elements. The more elements, the longer the obstacle course. The Modular Standard
Obstacle Course - Gate Run consists of a single part that easily connects to any bouncy castle obstacle course and
other obstacle course parts from JB. A challenge suitable for all ages!

#### Easily Order Obstacle Course Parts Online

With an extra component on an inflatable obstacle course, you can effortlessly create a unique obstacle course. The more elements, the longer the obstacle course. You can expand the parts on, among others, the 13.5 and 19 m obstacle courses. By merging and combining with a JB obstacle course, you create your unique inflatable obstacle course. All obstacle course elements are delivered complete with a blower. Made from high-quality PVC material, it's easy to maintain cleanliness and suitable for many users. Enjoy years of fun with your bouncy castle obstacle course
