

Modular Obstacle Course Rollercoaster - Pole Dodger

Create Your Unique Modular Obstacle Course with the Rollercoaster Pole Dodger

Get a thrill on this awesome rollercoaster! The Rollercoaster-themed Pole Dodger is an obstacle course element packed with numerous obstacles; the track is filled with pillars and challenging sections. In this part, you'll surf your way to the exit... or perhaps to the next segment of the obstacle course? The more elements, the longer the obstacle course. The Modular Obstacle Course Rollercoaster - Pole Dodger consists of one part that easily connects to any obstacle course bouncy castle and other obstacle course parts from JB. A challenge suitable for all ages!

Easily Order Obstacle Course Parts Online

With an extra part on an inflatable obstacle course you can create a unique obstacle course in no time. The more elements, the longer the obstacle course. You can expand the components on the 13.5 and 19 m obstacle courses, among others. By joining and combining with a JB obstacle course you create your unique inflatable obstacle course. All obstacle course elements are supplied complete with blower. It is made of high-quality PVC material and is therefore easy to keep clean and suitable for many users. This way you can enjoy your obstacle course bouncy castle for years to come!
