

Dolphin Pool Slide

A truly spectacular water slide

This eye-catching Pool Slide Dolphin will ensure kids cannot believe their luck and are overjoyed during their visit to the swimming pool. The unique design by JB, in the shape of a dolphin will deliver the ultimate experience. Let's be honest, how cool is it to play on the back of a dolphin/shark and slide back into the water via their snout or mouth?

Safe water attractions

We guarantee that our water attractions can safely be used by everyone. Items manufactured by JB are certified in accordance with the NEN-EN 15649:2009 safety and quality standards. We will provide you with an approved inspection certificate, a blower, log book and a clear manual, so you have everything you need in a complete package for a fantastic experience. In order to ensure the attraction stays in place and does not float off or gets too close to other objects, anchor points have to be fastened with appropriate anchoring materials. A safe start to any party.

High quality demands

In order to guarantee the quality of the products we offer, we use high frequency welded PVC material of 900 gr/m². The material has a useful protective coating that is resistant to influences of chlorine and other water properties. The Pool Slide Dolphin is easy to clean and is durable in use. This fun water game comes with a 1-year warranty.

Purchase this Pool Slide Dolphin and deliver the experience your customers will remember as a splashing day of water fun!
