

Surfer Slide Aqua Run

Follow the surf dude into the pool

Wow, just see him standing there! Cool and collected he is riding the waves on his surfboard. Children will immediately be impressed and simply cannot wait to play on this Surfer Slide. This 10-metre pool obstacle course comes with fun play elements that are guaranteed to deliver hours of entertainment for the people visiting your pool. What more could you ask for?

Certified in accordance with the safety and quality standards

The unique water attractions by JB can safely be used by everyone. All water games we offer are certified in accordance with the NEN-EN 15649:2009 safety and quality standards. We provide an approved inspection certificate, a convenient log book and a user manual for the Surfer Slide. In addition, it comes with a Bravo air pressure gauge to ensure the right air pressure is entered. Its anchor points have to be fastened with appropriate anchoring materials to keep the product in place and to prevent it from getting too close to other objects.

High quality assured

We are proud of our products and set high demands for them. In order to guarantee quality, we use high frequency welded PVC material of 900 gr/m². Not only are these materials strong and colourfast, they are also resistant to influences of chlorine and other water properties. The obstacle course is durable in use and easy to clean. The Surfer Slide comes with a 1-year warranty.

Purchase this 10-metre pool obstacle course and deliver the experience your customers will remember as a fun-filled day.
